President's Message

The 17th National FCA Convention is over, and hopefully everyone had a lot of fun. I met and made many new friends.

I would personally like to thank Marty Martin, our Vice President and Convention Director, for the outstanding job he has done at both positions. Also, I would like to thank everyone who helped out when we needed it at the last minute. It just goes to show that all you have to do is ask our FCA members and it will be done. THANKS!

We now have a new president, Steve Springer; vice president, Russ Hoeksema; and five-year board of directors member, Althea Fleeman. Let's all back them in the coming year as you did the current officers and board so we can continue to grow.

We are planning some new things with the newsletter, so in a few months you should see some changes there.

I was mistaken last month when I said it was my last President's Message. They won't let me go until Sept. 1, so this is my last one.

Thanks for all the nice things (and the jokes) you have done for (and to) me over the last six years. The Falcon Club of America is the GREATEST!!!!

Jim Hatcher

Stolen Falcon!

A 1992 beige 2-door Falcon was stolen from Susan Pogue in San Antonio, TX, on July 21, 1996. If you have seen this car or have any information at all, please call Sue at 210/828-1041.

Vice President's Message

Love is not an easy word for most men to say! The expression, "Most Men," doesn't come close to including a very dear friend to us all. The man I speak of has given this club his best and, in so doing, has made us the best! This man would and will stand in front of any audience and profess his love and caring for the Falcon Club of America and its many members. This man has given us so many hours of his life that it would be impossible place a numerical or monetary value on his services over the past 17 years. He would probably be embarrassed if you tried.

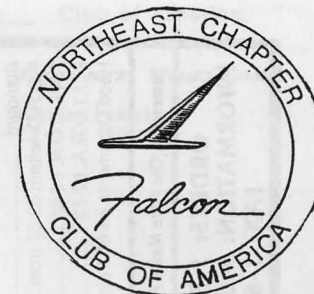

I will!

Jim Hatcher has served us in every capacity — as chapter founder, chapter president, partsmaster, vice president and president. Quiet, unassuming leadership is Jim's forte! A masterful listener with a profound sensitivity for people. His position as National President over the past six years has demanded an extreme amount of his free time, so one must include Dedicated, Devoted, and Generous in this description. Lord knows, Jim and Diane have traveled a million miles to Falcon functions over our historical past. He goes not to collect a lot of trophies or flaunt any authority, but to "visit." Making friends is what Jim does well, and distance has never stood in his way. Speak of unquestionable integrity and you will be talking about President Hatcher. I know factually that Jim would not even use the newsletter to sell parts or a car because he felt there was an ethical issue due to his position, nor would he turn in his out-of-pocket expenses for reimbursement. I think he felt he really owed that to the club he loves so dear.

President Hatcher has made the decision to step down and allow someone else to take the helm. He has left us with a legacy of honesty and integrity that makes this club stand out as the best! For all his devotion to you and this club, it would sure be an appropriate time to drop him a short note of appreciation. I will!

I Love Ya, Man!!!!!!

Marty Martin

Chapter News

Great Lakes Chapter On The Move

The Great Lakes Chapter met for its first annual meeting on March 19 at the Presbyterian Church in Jonesville, MI, for a potluck dinner with about 55 members and guests driving eight Falcons. Officers elected were Bev Engle, president; Jack Gillis, vice president; Mary Ann Catlett and Debbie Konchel, secretary-treasurer combined. Everyone had a great time, and the chapter gained four new members.

In May they again met in Jonesville at a car show. Eight Falcons and 15 members and friends were present, and they gained two more new members.

The chapter held a brief meeting in Dearborn on July 7 with 18 members and six Falcons represented. Final discussions for attending the National Convention were made. Chapter member Dave Keon took first place in class when showing his car for the first time.

Another chapter member, Al Potts, led the parade at the St. Ignace car show where over 3000 cars are shown.

The chapter is alive and well, meeting every other month — January, March, May, July, September and November. Because of the distance between members, the meetings are moved around the state. They find this works best for them.

Their regular meeting on September 15 will be held in Hickory Corners at Gilmore's Antique Car Museum.

Submitted by Bev Engle, President

Music City Chapter Is Busy, Busy, Busy

Planning continues for the Regional Meet being hosted by the Music City Chapter in 1997. The date has been firmed up for May 23-24, 1997, which is Memorial Day weekend. Their first regional will be held at Music Valley Village across from the Opryland Hotel. Housing will be at Fiddler's Inn North on Music Valley Drive, with additional space at the Ramada Inn across the street. They want this meet to be for the family, and there will be activities for children as well as for the whole family. Put this great meet on your calendar now!

Althea and Larry Fleeman hosted the chapter to a picnic on May 19. Special guests were FCA Founder Roy and Pat Sword. More than 30 people attended with 11 Falcons on display.

At least 14 chapter members with 9 Falcons participated in the PFCA 1996 Southern Nationals All Ford Show and Swap on June 8 in Murfreesboro, TN, and they were joined by three Falcons from the Southeast Chapter in Georgia. Those taking Falcon trophies were Brad Burnham, Lynn Moon, Ricky Kerbow, G.B. Netterville, and Larry Fleeman. Ranchero trophy winners were Leon Goddard, Bob Ferguson, Althea Fleeman, and Vernon Hanner.

(Chapter News continued)

Mason Dixon Chapter Is Always On The Go

Six chapter Falcons attended the 18th Annual Spring Battlefield Meet that was held in May. Thanks to Phil Barber for providing the photos from that event.

At the annual Smith Ford meeting, nine members displayed their cars. Thanks to Mr. Smith for hosting and to Bob Gerke for setting up, advertising, and organizing this great show.

At the All Ford Show at Carlisle the chapter had a vendor space so Falcon folks would have a place to find some parts or to just stop for a rest and "jaw" a while. Twelve members either had a swap space or showed their Falcons. FCA chapters that were represented besides the Mason Dixon included Keystone, Northeast, and Ontario.

Notes from All Over

The Sixth Regional Florida Falcon Show hosted by the *Suncoast Chapter* had a total of 40 cars entered. They came from all over the state of Florida, and from as far away as Ohio, North Carolina, and Georgia. Now they're on the run again planning the 18th National FCA Convention slated for July, 1997.

Twelve Falcons and 21 *Keystone Chapter* members attended the meeting at Bethlehem Ford recently. Plans for their upcoming 7th Eastern Regional Meet were discussed. In May seven Falcons and 24 chapter members met at Knoebels Grove for a picnic and business meeting.

Nine Falcons from the *River City Chapter* toured the Bourne Mansion and Empire mine in Grass Valley. When they were at the mansion, the Bourne's were home so they got a personal tour.

Letter

to the Editor

Dear Kathy,

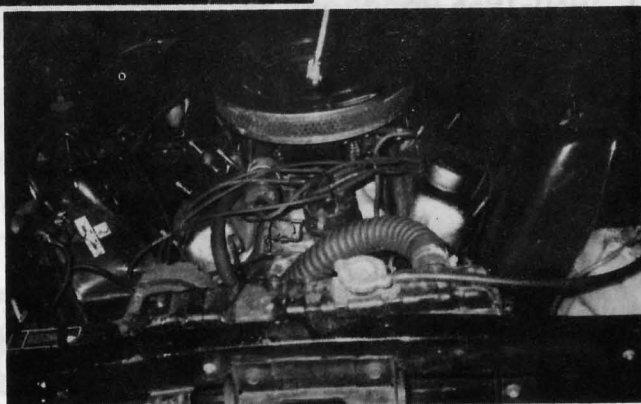

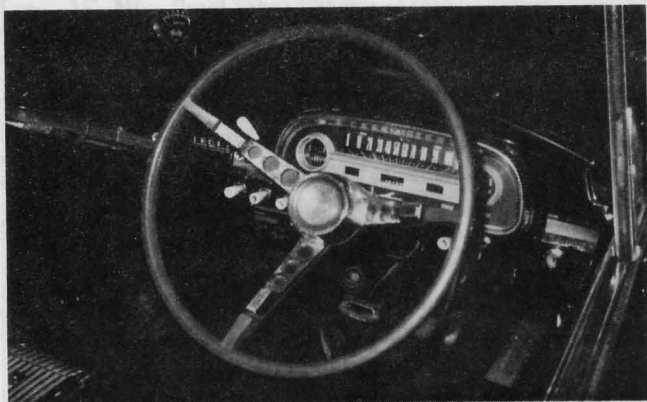

My wife and I had the opportunity to visit Australia and New Zealand in October, 1995.

While in Wellington, New Zealand, I met with Falcon Club member Phil J. Cayless. The enclosed pictures are not the best, but I thought you might be interested in the right hand drive picture of Phil's 1963 Sprint. It has a 302 engine.

If you can, please use the pictures for a Falcon News item.

My restoration of a 1960 Ranchero is progressing slowly.

Yours truly,
Gideon Gilbert

Tech Tip

1960-1962 V8 Conversion

When doing a V8 conversion on a 1960-1962, get the firewall and transmission hump out of any 1963. All '63 Falcons have a large transmission hump. The firewall and floor easily clear a 302 and FMX automatic. On 1960-1962 Falcons the firewall has to be cut to clear the transmission. I bolted a 1963 onto my '62, and the ribs and beads in the sheet metal lined up perfectly.
